

CERTIFICATE OF CONFORMITY

This is to certify that

**ASA Plastics Pty Ltd
Polyethylene (PE) Pipes**

Product Description, Purpose or Use

Polyethylene (PE) pipes for pressure applications

Complies with the Performance Requirements of:

1. AS/NZS 4130:2009 Polyethylene (PE) pipes for pressure applications

Subject to the following Conditions & Limitations:

- a. The Approved Certifier grants the right to use or arrange the use of the WaterMark as shown in the top left corner only in respect of the products and materials described and detailed on the product schedule below which are produced by the Approved User and which comply with the appropriate WaterMark Specification referred to above as from time to time amended. The Licence is granted subject to the rules governing the use of the WaterMark and the Terms and Conditions for certification. The WaterMark Licensee covenants to comply with all the Rules, technical reference documents and Terms and Conditions of the WaterMark Certification Scheme
- b. Only to be installed by a suitably qualified tradesperson in accordance with the relevant standards and codes.
- c. Only to be installed in conjunction with appropriately watermarked ancillary hardware and components.
